PORTS OF CALL

Cabo San Lucas

Once referred to as the "millionaire's sandbox," Cabo San Lucas is Mexico's jewel resort at the very tip of the Baja Peninsula. Its remote location and unspoiled beauty truly make this a seaside paradise.

Mazatlan

An exciting mixture of old and new Mexico, Mazatlán has been blessed with a harbor of natural beauty. The neighboring mountain range rises as a majestic backdrop for this scenic city. As Mexico's first major resort community, Mazatlán owes its continued popularity to vast unspoiled beaches, first-class resorts and friendly people.

Puerto Vallarta

The once-sleepy fishing village became a popular resort after *The Night of the Iguana* was filmed there in 1964. Nestled on the 28-mile curve of Banderas Bay, Puerto Vallarta has steadfastly held on to its character. It has red tile roofs and rows of balconies, spilling over with colorful bougainvillea, still line its cobblestone streets; pleasure for both the eye and the camera.
