Consuming raw or undercooked meats, poultry, seafood, shellfish, eggs, or unpasteurized milk may increase your risk of foodborne illness. *GF* indicates made with gluten-free ingredients. We do not claim these items as "gluten-free" because they are prepared in a facility that also handles gluten-containing ingredients. "Vegan" items are made with ingredients free of animal products - no egg, meat, or dairy. We are committed to identifying ingredients that may cause reactions for those with food allergies and sensitivities; however, because foods are prepared in a kitchen with shared equipment, there is always some risk of cross-contact of allergens and gluten.
