On behalf of the Confederated Tribes of the Umatilla Indian Reservation (CTUIR), we extend a warm welcome to the Epson Tour's Wildhorse Ladies Golf Classic. We're thrilled to have golfers from around the world compete on our ancestral lands, a place that has sustained our people since time immemorial. We welcome you to experience this historic ground through the game of golf.

The CTUIR is comprised of the Weyíiletpuu (Cayuse people), Imatalamłáma (Umatilla people), and Walúulapam (Walla Walla people) with more than 3,200 tribal members. Nearly half of them live on or near the Umatilla Indian Reservation, which is about 172,000 acres. In 1855, the three tribes signed a treaty with the U.S. government, in which it ceded more than 6.4 million acres. The tribes reserved rights to fish, hunt, and gather foods and medicines such as roots and berries, as well as pasture livestock on unclaimed lands. Tribal members continue to exercise these rights today.

Wildhorse Resort & Casino is a tribal enterprise, established under the Indian Gaming Regulatory Act of 1988. The CTUIR leverages gaming revenue for the advancement of our people and communities, investing in vital areas such as education, cultural preservation, infrastructure, and healthcare.

By supporting the Wildhorse Resort & Casino, you're not just enjoying world-class gaming and amenities, you're also contributing to the well-being of our people and local communities.

Beyond the golf course, take time to explore our resort's many offerings. Relax in our hotel, enjoy a delicious meal, or delve into the fascinating exhibits at the Tamástslikt Cultural Institute, which offers a Native perspective on the region's history.

We wouldn't be here without the dedication of our committee members, volunteers, employees, and tribal members. Their hard work makes this event possible, and we thank them for it.

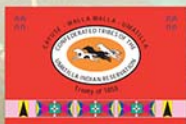

Also, we offer a huge thank you to our talented golfers and enthusiastic spectators. We wish the golfers the best of luck and hope everyone enjoys a safe and memorable Wildhorse Ladies Golf Classic.

Sincerely,

WELCOME TO WILDHORSE

On behalf of Wildhorse Resort & Casino, and with great excitement, I welcome you to the 'Wildhorse Ladies Golf Classic!'

This week, sports fans of all ages will gather to watch some of the best upcoming lady professional golfers from around the world. What a fun and memorable week this will be!

Wildhorse, our Tribal Community and the region will welcome 144 of the most promising lady professional golfers from the United States and the World to this event! They will compete for their share of the tournament purse and a chance to grab one of the top 15 spots on the LPGA tour next year. We are proud to host this event as it aligns with the Tribes' efforts to provide meaningful opportunities for our Tribal youth to interact with professional athletes. We also want to promote the growth of the game of golf, both on the reservation and in our region. Bringing the Epson Tour to the Umatilla Indian Reservation is a giant step in that direction.

Whether you are here to participate in our Epson Youth Golf Clinic or Pro-Am, or volunteering to help with the event, or simply here to enjoy the competition, we are so glad you're here. We hope you enjoy the amenities that Wildhorse Resort & Casino has to offer, both on and off the course. Cool off in the pool, bowl in the Family FunPlex, take in a movie, play in our casino, or relax with cold beverage and a delicious meal.

If you have questions or need assistance while you are on the course, look for one of our 125 plus badged volunteers – they will be happy to help you.

Enjoy your visit to Wildhorse and please come back to see us again!

Sincerely,

Gary E. George

SPECTATOR TIPS

NEED HELP? ASK ME!

The Tournament Committee and Volunteer Chair welcome you! We hope you enjoy watching world-class golf at its best.

If you have a question simply look for a tournament volunteer with the badge shown here. We are happy to assist you.

TIPS WHEN VIEWING PLAYERS AT A HOLE OR WHEN FOLLOWING A GROUP OF PLAYERS ON THE COURSE

- Players will arrive at the course about one hour before teeing off. You can view them warming up on the driving range and putting areas.
- The first wave of tee times will start on Friday and Saturday at 7:15am on the first and tenth tee boxes with groups of three players teeing off every eleven minutes. A second wave of tee times will begin play at roughly 12:15pm. On Championship Sunday, the top 60 players and ties, will start teeing off at 7:15am on the first hole with the leaders teeing off last.
- While on the course, please stay off the tee boxes, fairways, greens and the native grass areas.
- Be aware of the groups playing in front, to the side or behind you.
- As you watch the tournament, keep a safe distance from the players and do not allow noise or movement that may distract the players while they are hitting a shot or putting. Do not leave the green until all the players have finished the hole.
- Marshals will be on holes to help direct spectator traffic.
- Feel free to talk to the players or ask for their autographs after they have finished their round and left the scoring area.

IN THE EVENT PLAY IS SUSPENDED, YOU WILL HEAR THE FOLLOWING:

- Three consecutive blasts, repeated, this indicates a non-dangerous situation.
- One long blast, repeated, indicates a dangerous situation. At that time, Tournament Officials will direct you to a shelter or low lying area off the course. Do not remain in high places or around hill tops and or trees.
- Two long blasts means play will be resuming.

HELP US MAINTAIN THE BEST ENVIRONMENT FOR OUR TOURNAMENT PLAYERS

- **Can you hear me now?**

Talking on cell phones is not permitted on the golf course; phones should be turned off or set to vibrate. There is no communication between spectators and players during the round.

- **You've got to move it, move it!**

To properly follow a player, follow at least 25 yards behind the group and stay near the rough or cart paths (stay clear of fairways, greens and tee boxes).

- **Shhhhhh...**

Remain quiet and stand still while players are hitting.

- **Don't touch that ball, ever!**

Watch the ball, stay out of its way as it lands.

- **Cheer, don't jeer.**

As a rule, crowds at tournaments cheer in appreciation of players' efforts. Jeering has no place in the game.

- **No professional photography.**

Professional cameras and drones are not permitted on the course, unless by authorized personnel.
